MVG Parents and Guardians,

We have exciting news!!! Starting September 8th, **all MVG students will now eat FREE**. This includes breakfast and lunch. In response to the COVID-19 hardship, the U. S. Department of Agriculture (USDA) will extend several waivers through the end of the first semester of school. The waivers allow summer meal program operators to continue serving free meals to all children into the fall months. This unprecedented move will help ensure – no matter what the situation is on the ground – that children have access to nutritious food as the country recovers from the COVID-19 pandemic.

We ask that MVG Families still complete the Free/Reduced Lunch Application if they have not done so to ensure that their meal payment status is in place when the waiver expires. Lunch balances will remain in the student's account to be used after the waiver ends. If you currently have a balance due and have not completed the Free/Reduced meal application, please take the time to complete it. If you qualify, your balance will be cleared.

Similar to the Summer Meal Program that allowed us to feed so many during the time school was closed due to COVID-19; we will also have the ability to feed any child age 18 and younger in our community. If you wish to pick up a breakfast and lunch for a child that is not attending school, please come to the east kitchen door behind the high school and ring the doorbell between 10:30am – 11:00am on the days that school is in session.

Sincerely,

Sam Belcher,
MVG Superintendent
