

# MVG Schools

## Cleaning Schedules and Protocols for COVID-19

MVG Schools uses EPA recommended cleaning products and CDC recommended disinfecting products. Increased cleaning and disinfecting measures will be implemented in the following areas:

### Bathrooms

Additional sanitization using disinfecting sprayers each day

### Classrooms

- Sanitized using a disinfecting sprayer daily
- Each classroom will have disinfectant spray for teachers to disinfect as needed
- Each classroom will have hand sanitizer for students and staff to sanitize hands in classrooms where soap and water are not available
- Where available, students will wash their hands with soap and water when entering the classroom

Students and staff will limit the sharing of supplies, utensils, devices, toys, books and learning aids

### Buses

- Each bus will be sanitized daily
- Students will be encouraged to wear masks while on the bus
- Students will sanitize their hands with liquid sanitizer when entering the bus

Students will only sit with family members

### Cafeteria

- Students will use wall mounted hand sanitizers located at the beginning of the serving line
- Only one student at a time at serving window
- Every table will be sanitized after each use
