

# COVID-19 PROTOCOL FOR MVG SCHOOLS

## DAILY SCREENING

1. Parents screening using provided checklist; if parents send their child to school, they are certified healthy. Student's temperature may be taken by school staff upon entering or as deemed necessary during the school day.
2. Staff also screen themselves. If they come to work, then they are certifying they have screened themselves.

## AT SCHOOL WITH FEVER PROCEDURES

Isolation Room: Any student or staff member who exhibits a fever of 100 degrees or more will be instantly isolated in a predetermined isolation room and immediately sent home. After being sent home, the student or staff member cannot return to school until one of the following criteria is met: Without COVID testing, the student or staff member must not be present at school for 10 days. After a negative COVID test or a note from a Doctor certifying that the fever was caused by another illness besides COVID-19, the student or staff member can return to physical school after 24 hours of being fever free with no fever reducing medication. The student will become a distance learner at home until he/she can return to school. The student will be counted as present because digital learning will be provided.

## POSITIVE CASE – ELEMENTARY CAMPUS

1. Consult with county Health Department.
2. Communicate to staff
3. Communicate to applicable parents depending on classroom arrangement
4. Thoroughly sanitize classroom
5. Positive case classroom students that are not high risk have the option to go virtual for 14 days, on-site students will be monitored and temperature taken prior to entering the building and after lunch for 14 days. If the student has siblings, the siblings will be quarantined.
6. If the attendance of campus learners at the site and/or district where the positive case occurs reaches a high absenteeism rate and with the discretion of administration, the site and/or district will go to distance learning for 14 days. The count starts on the first day of distance learning.

7. Grab and Go meals will be provided starting on Day 1 of distance learning. Delivery schedule will be dictated by the District's Child Nutrition capabilities.

**POSITIVE CASE – SECONDARY LEVEL CAMPUS**

1. Consult with county Health Department.
2. Communicate to staff
3. Communicate to parents at site about positive case
4. County health departments will decide which students will have to be quarantined and go to distance learning dependent on exposure level as determined by the county health officials.
5. If the attendance of campus learners at the site and/or district where the positive case occurs reaches a high absenteeism rate and with the discretion of administration, the site and/or district (dependent on school size and structure) will go to distance learning for 14 days. The count starts on the first day of distance learning.
6. Grab and Go meals will be provided starting on Day 1 of distance learning. Delivery schedule will be dictated by the Child Nutrition capabilities.

**REQUIREMENTS FOR ALL ELEMENTARY AND SECONDARY TEACHERS**

1. Maximize classroom space
2. One directional seating (for all classrooms when possible)
3. Seating charts (required by all teachers for all classes)

**BUS TRANSPORTATION**

1. Recommend alternate transportation if possible for all bus riders.
2. Maximize airflow.
3. Seating chart required.
